Fives

identify

Find an object that interests you. Do you know what it is? Think of some ways to get more information about it.

inspect

Look closely at your object's clues. Does it have words? What other information can you learn from inspecting it? Do you know of anything else like it?

interact

Collect some other objects that are similar to yours. How are they the same? How are they different? How many ways can you organize your new collection?

improve

How can you make your object better? Draw and label your design. Don't forget to submit a patent!

inspire

How will you share your collection and great idea with others to inspire them to be creative thinkers just like you?
